NOMEX® WON'T BURN FUEL SPILLS WILL

**MOLECULE™ IMPROVES NOMEX®
 MAKING RACING SAFER
 THAN EVER**

Breakthrough technology from Molecule Labs makes Nomex® suits virtually impervious to flammable liquids.

MOLECULE™ PROTECTOR creates a durable protective coating that helps Nomex® repel combustible spills and stains – and yet the fabric still breathes.

MOLECULE™ WASH effectively cleans Nomex® in standard washing machines to remove contaminants that can degrade fabric performance.

MOLECULE™ is the right way to care for Nomex® and other technical fabrics.

TESTED FOR OVER TWO YEARS IN RACE CONDITIONS
 AND BY THE SFI FOUNDATION, INC.
 PATENT PENDING PROTECTOR FORMULA

Nomex® is a registered trademark of E.I. du Pont de Nemours and Company.
